There's a time and place
we get to know.
There's a sea we get to
sail,
Though we saw the mountains
long ago,
It's the peak we have yet
to scale
There's a world we have to
find,
and another we have yet to
lose.
There's a winding road we
left behind, and
another for us to choose.
There's a time for bright
hellos, and a time
for long good-byes.
There's memories of friends
and foes, and tears
in each other's eyes.
There's a time to look ahead
and seek, and after
look back on the old days.
There's a chance we'll again
someday meet
But now is the time to go
our own separate ways.

Star Student

Beth Romine was a member of the Spanish club for two years; science club — one year; and the safety club — one year. She is an Honor Roll student.

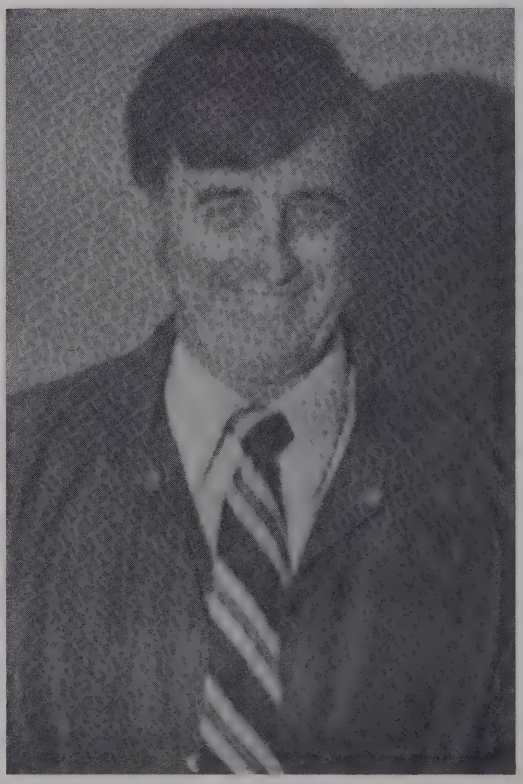
Star Teacher



Mr. Frank Ladner has taught for 21 years at Bay Senior High. He teaches Mechanical Drawing and is Assistant Principal. Mr. Ladner has received his Masters in Industrial Education from Mississippi State University and his Masters in Guidance from the University of Southern Mississippi. During the summer, the BHS cheerleaders attended NCA camp at Perkingston Junior College. While they were there, they received overall superior ratings. They have appeared on Good Morning South Mississippi television show, cheered for the New Orleans Saints vs. Miami Dolphins football game, at the New Orleans Superdome. They were asked by WXGR radio station to help promote the Waveland Wave Pool.

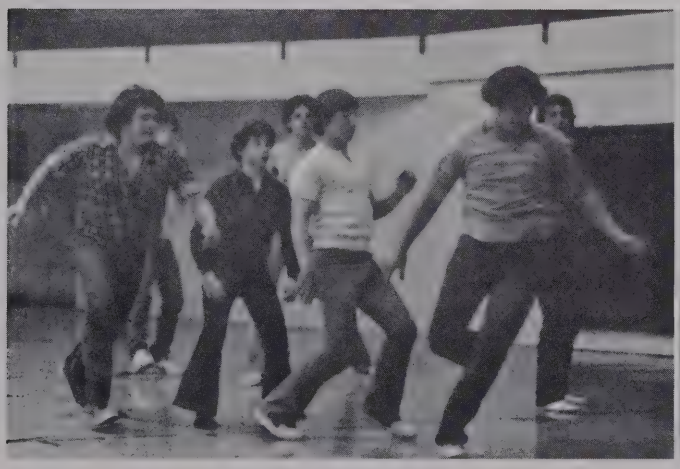
This year, the BHS cheerleaders have been represented and encouraged by their sponsor Coach Barbara Powell. The BHS cheerleaders would like to graciously thank her for all of her work and service.

OH MY DREAM BOY
. . . if only I could have him.

Anyone need a helping hand?

Anyone need a ride anywhere?



Let's do the "Cha Cha."

Well, well, look what I found.
